

To Friends of Jarrett Persad,

Jarrett has recently been chosen to serve as a member of our latest YouthBuilders Team that will be ministering in churches in various parts of Canada. As a member of the team, Jarrett will develop his ability to lead others toward Jesus, provide encouragement and resources to students, leaders and congregations, and develop a better sense of his own unique calling.

YouthBuilders involves 10 months of full-time volunteer service and learning under the supervision of Ledge Leadership. The close interaction with team members, intensive training, and exposure to a wide range of ministry experiences provide an ideal opportunity for the development of Jarrett's leadership skills.

Jarrett will move to our campus in Clarksburg in August to begin his training. His team will tour from late September 2015 to June 2016, normally spending a week at a time in local churches. They will also have the opportunity to learn from leaders in an intercultural context (yet to be determined) for approximately a month. Several weeks during the year are set apart for further training and refreshment.

Part of Jarrett's responsibility is to raise \$13,950.00 toward the total budget of the team. Jarrett will receive a small weekly allowance to cover lunch appointments and minor personal expenses. If you would like to assist him in raising the necessary funds, you may send gifts payable to "Ledge Leadership" using the form below. You can also go online to www.ledgeleadership.com and make a donation using Paypal. Charitable receipts will be issued for tax purposes by February 1, 2016 for donations received in 2015.

Prayer support is equally important, and sometimes harder to commit to. We would like to send Jarrett with the support of at least a dozen people who will pray every week that God will strengthen him, protect him, and minister through him. Jarrett would be very encouraged to hear that you are willing to be a prayer partner, and would pray regularly for you as well.

We are honoured to have the opportunity to work with Jarrett over the next year and look forward to what God will do in him and through him as he serves with the YouthBuilders. Thanks for your interest in his life and ministry.

Sincerely,

Mike Wright
Executive Director, Ledge Leadership
